Snowplowing Policy

Tickets will be issued to offenders for the following.

- Side walks are the responsibility of the owner or renter of each property to be clear of snow.

- November 1st to April 1st there is **no parking** on the streets from 2 a.m. to 7 a.m. for snow removal.

- There will be no dumping or plowing of snow on City Property or street easements. If this takes place, the removal of such will be at the owners expense.

Additional information

- Snow removal for County Road 12 and County Road 22 is handled by Douglas County Highway Department.

- Help the Fire Department - Firefighters need at least three feet dug out all the way around a hydrant, including access to the street.

Lets all do our part to keep everyone safe this winter season.

All dogs are to be licensed yearly with the City of Garfield.

Do your part and stop by City Hall to receive your license or to renew your dog license.

Indoor Water Conservation Ideas

- Turn off the tap while brushing your teeth or shaving can save more than 200 gallons of water each month.
- Faucets use 16% of indoor water. Only run water when actually using it. Use low-flow showerheads and aerators.
- Keep a water bottle in the refrigerator for drinking instead of running tap water until cold.
