They stop right here in Garfield with amazing flavored fruit.

Their mission is to bring good, fresh fruit at a reasonable price directly from the orchard to your family. By removing the middle man, they are able to achieve this goal. They do not have storage facilities or distribution centers where your fruit will grow old waiting for a home in a grocery store bin. Their fruit is literally picked from the orchard, loaded onto their trucks, and brought to the delivery sites where you pick up your order. It's that simple!

For your convenience the City has a drop box located next to the main door at the **New** City Hall & Community Center. Please use this for your water/sewer payments, meter reading cards and any other correspondence you may have for the City.

If you choose to mail your utility payment, please use the following address:

City of Garfield
PO Box 51
Garfield, MN 56332

Otherwise your payment will be returned by the post office.

At a Special Council Meeting held on June 24, 2015, Council passed a change to the Water usage base to be 2,500 gallons a month/7,500 a quarter effective October 1, 2015.
