

Garfield Metal Clean Up Day
Saturday, May 18th, 2019
8:00am to 12:00pm
Garfield Fire Hall

PROVISIONALLY ACCEPTABLE MATERIALS

Following is a list of materials that Northern Metal Recycling **WILL ACCEPT** (as long as the material meets the provisions listed):

All scrap Iron and Aluminum

Gas Tanks. Tanks that have been completely drained and punched with a minimum of three holes, both top and bottom, or, cut in half are acceptable

Sealed units including: propane tanks, hydraulic cylinders, hydraulic jacks, shock absorbers, drivelines must be cut in half and drained of all oils and other nonmetallic substances

Compressed Gas Cylinders and Oxygen Bottles if valves have been removed, a hole drilled in bottom and free of all liquid and gaseous materials

Appliances and Refrigerators: Compressors and electric motors need to be removed. The compressors and motors will be accepted but placed in a separate container.

Barrels, drums, aerosol cans or other containers that are empty. Containers must have lids removed and/or several large holes punched in bottom, so as to assure containers are empty. Tanks must be cut in half. Closed tanks approved on a case by case basis

Automotive scrap associated with oils such as motor blocks, transmissions, torque converters that have been drained of all fluids. Motor blocks must have oil filters removed, torque converters must have hole punched and oil removed. This includes lawn mowers and lawn tractors.

All proceeds will be donated to the Garfield First Responders.

Please call Ardie with any questions. (320-808-4565)
