

The City of Garfield has received notice from DNR to implement water saving measures due to the extreme drought conditions the region is experiencing. At this time, the City of Garfield requests that extra

water usage be stopped. We all need to work together to do our part to conserve water.

## Reminder...

**Building Permits:** Pick-up your building permit application from City Hall and have the project approved at a Council meeting **BEFORE** you start construction of a new building, shed, fence or deck! Council meets once a month, plan ahead.

Otherwise you could be charged with "After-the-Fact" charges (in addition to normal application fee) \$500 or 2x the application fee (whichever is greater)

**Gopher State One Call:** Just a reminder to call 811 **BEFORE** you dig!! Stump removal is in this category as well. You can also call 1-800-252-1166. You don't want to pay to repair something you hit while digging! It's the law! **Reminder your contractors also, they know it's the law.**

**Sump Pumps:** You **MUST** drain your sump pumps outside **NOT** down the sanitary sewer.
